#### Pre-Examination:

- 1- Make sure you have a stable internet connection.
- 2- Close all browsers, software, or websites before starting the exam.
- 3- Make sure your room is adequately lit.
- 4- Make sure you answer all the questions of the exam.
- 5- The exam duration is 2 hours.
- 6- Scan your desk and the room you are in using your web camera.
- 7- Position the web camera on your desk (the answer sheet) so as you (face and hands) are clearly visible to the invigilator.
- 8- Any behavior considered inappropriate will get you disqualified, and your answers will be discarded.
- 9- The use of any aid such as a calculator will be instructed in the exam; otherwise, no aid is allowed.
- 10- students are not allowed to leave the room (for any reason) until the end of the exam time (2hours, 15 mins) and submission of the answer sheets.
- 11- Students shall not communicate with the invigilators, or ask for any assistance.

#### While-Examination:

- 1- The exam questions will be displayed on Google Classroom.
- 2- You are not required to print the questions or copy them; you write the question number and answer it.
- 3- Write your name, class, teacher and page number on each page of the answer sheet.

#### Post-Examination:

- 1- Scan the answer sheets using CamScanner \*or Adobe Scan\* Application.
- 2- Upload the \*scanned documents\* to Google Classroom as a single PDF file.
- 3- Submission of the answer sheet scan shall be done only ONCE. Revise your answers carefully as unsubmission and resubmission will not be allowed.
- 4- Note you will only be allowed 15 minutes to scan an upload your answer sheets after the exam time.

#### \*Last point\* :

Note that failing to abide by any of the aforementioned instructions will result in the exam cancelation
